Mayor Browne has concerns encroaching on the basketball court by ten feet and the actual use of the court compared to the cost of the project. After much discussion with comments on the project and where the remainder of the money will come from Council Member Wickard made a motion to use Keno Funds up to \$30,000.00 to make up the difference pending other grants, seconded by Council Member Rahmig. Roll call resulted as follows; Aye: Deines, Wickard, Oltmann, Rahmig; Nay: None. Motion carried.

The storage roof/restrooms at the west park will need to be replaced and suggested a metal roof and additional lighting is needed in the outfield at the softball field.

There will be an extra lifeguard on duty and every hour in the high traffic areas will be disinfected. Pool deck will be taped out every 6 feet and will enforce personal belongings to be in a bag to stay with them or behind the counter to avoid storing them in the locker room. The waiver will also cover swimming lessons concerning the “hands on” with COVID-19 and the parents are welcome to help in the pool with the lifeguard if they have concerns. The only charges will be private lessons and private pool parties. Sonny’s Super Foods has offered to sale popsicles, ice cream sandwiches and water at cost to help the pool generate some revenue.
