

PAPERLESS BILLING IS NOW AVAILABLE!!

What this means is you now can have the option to receive your monthly statement via email rather than USPS mail. This is a **completely optional service** that we want to offer to our customers.

- Your bill will be in your email inbox (check your junk mail on your first initial signup) the day we print our bills. No waiting for the post office to deliver.
- You will receive the exact same statement as you were receiving on paper just in PDF format.
- You don't have to worry about losing or misplacing your paper bill.
